MESSAGE FROM THE PRESIDENT

To Our Student-Athletes, Coaches, Parents, and Communities,

It is an honor to serve as President of the North Coast Section and to share a few thoughts on what truly defines *educational athletics*. Our purpose extends far beyond wins, losses, and championships—it lies in the lessons learned and the character developed through participation in interscholastic sports. Athletics teach teamwork, perseverance, integrity, and respect—qualities that carry far beyond the playing field and into every aspect of life.

One of the most important lessons we can learn and model is sportsmanship. True sportsmanship is not limited to our athletes and coaches—it begins in the stands, with our parents and spectators. Every cheer, every comment, and every action contributes to the environment our young people experience. When our words and behavior reflect respect and positivity, we demonstrate the values we hope to instill in our students.

Representing your school, community, and family is both a privilege and a responsibility. Each time you take the field, court, or course, you carry with you the pride of those who support and believe in you. Competing with integrity and respect reflects the best of where you come from and who you are becoming.

Finally, remember this: you play for the name on the front of your jersey, not the name on the back. The front represents your school, your teammates, and the shared commitment to something greater than yourself. When you give your best effort, show respect for opponents and officials, and play with heart, you honor that name in the most meaningful way.

Together, let us continue to uphold the values that make high school athletics an essential part of education—building character, fostering unity, and preparing our students for the challenges and opportunities of life beyond the game.

With pride and appreciation,

Clint Duey

President, North Coast Section, CIF

I CAN

GO TO COLLEGE WHILE I'M IN HIGH SCHOOL.

Save money and earn your college degree faster. With dual enrollment courses, you can earn college credit while pursuing your high school diploma.

DUAL ENROLLMENT

Dual enrollment programs in California let high school students take community college courses. This means you can earn both high school and college credits at the same time through the same class. It's a great way to get a head start on your college education, explore different subjects, and graduate high school with up to a year or more of college credits already under your belt. And the good news is tuition is typically free for high school students.

Check with your high school counselor or contact your local California community college for more information and assistance with the application process. Get started today [ICanGoToCollege.com](https://www.ICanGoToCollege.com)

GIL LEMMON NCS DISTINGUISHED SERVICE AWARD

DAVID LONN

BY STEVE DULAS

When you love what you do, you never work a day in your life, it's said. If that's true, David Lonon never worked a day in his life: He spent his entire career in the little community where he grew up, as a teacher, coach and administrator at McKinleyville High School.

Lonon, from the McKinleyville Class of '73, gave nearly 40 years of service to his alma mater and the McKinleyville community, which has earned him the NCS' Gil Lemmon Distinguished Service Award.

"Obviously, winning NCS championships in football and baseball are very special, but just being in a community for your whole life is most special," Lonon said.

After graduating from Humboldt State, David launched his coaching career at McKinleyville as an assistant coach for football and baseball in 1977, and a year later added middle-school basketball to his coaching resume.

He did two stints as head baseball coach for the Panthers, leading them to the 1991 NCS Class A championship. Two years earlier, he coached the Panthers to the 1989 NCS Class A football crown. He left coaching in 1999 but stayed on as athletic director until 2012.

David saw firsthand how the community impacted his life growing up

and said he has always maintained a responsibility to continue to be an integral part of the community, giving back some of what was given to him.

"Students come first," he said.

"Decisions that are made must be made in the best interests of the students. That gets lost

sometimes due to personnel

interests or politics, but we are in this business to help shape the future of our communities and our country."

David went into administration in 2000. He retired in 2016 but continues to give his time as a substitute administrator and is an administrative coach, helping others to clear their administrative credential.

David was site director for numerous NCS playoff events, and as the President of the Humboldt-Del Norte League, he served on the NCS Board of Managers. He also served on the NCS Sportsmanship Committee. Being able to be an active part of his community for so long has been a godsend for David.

"I have had former players coach with me, and to see not only these colleagues but other students and student-athletes go on to successful adult lives is great," David said. "I see former students and athletes on almost a daily basis and I am able to interact with them. For me, that is 'Pretty good stuff.'"

GIL LEMMON NCS DISTINGUISHED SERVICE AWARD

TIM SBRANTI

BY STEVE DULAS

Tim Sbranti doesn't want his student athletes to compete with a rear-view mirror. His philosophy as a coach and administrator at Dublin High School, and now Emerald High, is to focus on the here and now.

"I always strove to make sure that every individual student-athlete and team made the absolute most of their potential with no regrets as it relates to effort of 'What might have been,'" he said.

Sbranti has dedicated his career to the betterment of interscholastic sports, in a number of roles since he joined the coaching staff at Dublin High in 1998. He has coached tennis, girls and boys; boys and girls basketball, and boys volleyball.

His accomplishments include coaching the Dublin boys to their first-ever NCS basketball championship game appearance, as the Gaels upset perennial power Bishop O'Dowd in the 2008 playoffs. "The thing that made it so special was that group of seniors had won only two or three games as freshmen, and the varsity team went from a 7-19 record to 2006 to a 23-win season two years later," Sbranti said.

He had a similar development with the girls tennis team. The Gaels had suffered consecutive winless seasons before he took over the program; five years later

they qualified for the NCS Team Tournament.

His girls basketball team went from four wins in his first season to reach the NCS quarterfinals four years later, his final season as head coach.

Sbranti was an assistant on Tom Costello's basketball staff from 2006-2018, then took the position of Athletic Director. "As athletic director, many of our teams have enjoyed a lot of success and I was proud to play a supporting role," he said.

In addition to coaching, Sbranti has been a site coordinator for numerous NCS events and has worked as the announcer for playoff events at Dublin. Since 2011, he has also served as a commentator for "Tri-Valley Sports Final," a show on Tri-Valley Community Television. The show provides weekly highlights of prep games from schools in Dublin, Pleasanton and Livermore.

While still the AD at Dublin, Sbranti has assumed the duties of co-AD at Emerald High, which opened its doors in 2024, and next school year will have its first senior class.

If Sbranti were to break his own rule and look in the rear-view mirror of his life and career, it's doubtful there would be much, if anything, in the way of regrets.

2025 FALL HONOR COACHES

BY STEVE DULAS

PEAT SUTHERLAND
NORTHGATE

*CROSS COUNTRY
HONOR COACH*

The title of an old movie, "The Lonliness of the Long Distance Runner" is a fallacy on Peat Sutherland's part. When he was hired as a coach at Northgate in 1989 (by the first NCS Honor Coach, Tom Anderson) he became part of coaching fraternity. And the longer he coached, he became part of a growing community. "I feel honored to be considered for the award," Sutherland said. "All the coaches in the original DFAL who mentored a young 25-year-old are also on the list." The highlight of his coaching career came in 2004 when his Broncos won their first NCS championship. "I wanted my runners to enjoy coming to practice, be part of a family of athletes with common vision and foster friendly competitiveness within their team and our fellow competitors." But even more noteworthy, he said, are the relationships he has maintained with his former runners. "I now see quite frequently in my neighborhood another runner from my Northgate team," Sutherland said. "She still runs and I love watching her and her kids when we meet in passing." Sutherland invokes another old movie title: "A Man for All Seasons." He coached track, softball and tennis at Northgate, Ygnacio Valley, Mt. Diablo, Miramonte and Las Lomas before retiring in 2023 from his teaching position at Las Lomas.

KEITH MINOR
MOREAU CATHOLIC

*FOOTBALL
HONOR COACH*

Few coaches in the North Coast Section can match the coaching resume Keith Minor has compiled since his modest start as assistant freshman football coach at St. Mary's College High in 1996. Minor left the Berkeley campus for his first head coaching job at Balboa in San Francisco, then returned in 2009. He led the Panthers to the NCS Division VI title in 2013 and back to the finals the next year, during a run of eight straight playoff appearances. Encinal got its hands on him in 2018, and he won two Division titles and led the Jets to the 2019 NCS Div. V title game. He moved to Moreau in 2022, and reached the pinnacle last fall when his Mariners won the school's first CIF State championship, after claiming the NCS and NorCal Division 7 titles. Winning the state title at Moreau and leading St. Mary's – his alma mater – to an NCS title were the highlights of his career, he said. "Both moments proved that my coaching philosophy works," Minor said. "Stressing character, player development and style of play led to winning at the highest level. This happened when the players and coaches believe in each other and in the process."

VANITA FINNEY
JESSE BETHEL

GIRLS GOLF
HONOR COACH

Golf may not be a highly visible sport at the high school level, but Vanita Finney has ensured that the Jesse Bethel girls golf team isn't playing in a vacuum. Finney was a volunteer coach for two years, 2017-18, then became coach of the Jaguars in 2019. Since then, she has been unstoppable in generating support for a program generally filled with players new to the sport. Golf can be an excruciatingly frustrating endeavor, so Finney's coaching philosophy is simple: "Be kind to yourself and don't beat yourself up," she said. "Give yourself time for growth and to blossom." That showed in 2003 when two of her golfers placed first and third in the TCAL 6-hole championship. "I have accomplished my goal to build a consistently multi-ethnic, diverse team," Finney said. "The team's membership and participation is retained through the end of the season." Finney has reached out to the community for support for the programs – the SAVVY Swing Tournament and a grant from the NCGA helped her purchase new clubs and uniforms for the players to use during the season. She has organized free golf clinics at the school, and has been part of the Sistass on the Links Tournament in Alameda.

KYLE BALDI
ENCINAL

WATER POLO
HONOR COACH

Kyle Baldi has stayed close to his home waters. The Encinal graduate has spent a quarter of a century coaching aquatics at his alma mater, including starting the girls water polo program in 2009. It was a co-ed team for more than 15 years, he said, before the girls team was started. This gave an opportunity for more student-athletes to have a shot at playing, he said. "My philosophy is to give everyone a chance to experience water polo," Baldi said. "I have never cut a player from a team. I have always given student-athletes a chance to fall in love with the sport that has made an impact on my life." Baldi, who has a degree in fire science and an EMT license, started coaching in 2000. He has been the director of five separate tournaments and started a JV league championship. and has worked hard to grow the sport at Encinal. He also helps grow the sport in the community, hosting scrimmage days to help new referees gain experience before the season begins.

GOLDEN WHISTLE AWARD

CHRIS PETERSON

BY STEVE DULAS

The vast majority of football players within the North Coast Section have never had the privilege of Chris Peterson being part of the officiating crew of their games. Peterson, the recipient of the Golden Whistle Award for excellence in officiating, has spent his 33-year career officiating games in the Humboldt-Del Norte League. But he has worked three NCS football championship games, two NCS baseball finals and one soccer championship. Last season, he reached the pinnacle, being selected to officiate the CIF State Division 7A championship. "A highlight of my career was working a state title game in famed Kezar Stadium," he said. He has also been selected for six NorCal basketball tournament assignments, one NorCal football final, four NCS basketball

title games, and six HDNL basketball finals. Peterson has been a member of the NorCal Football Officials Association since 2004, and has been assigning secretary since 2020, and has been a member of the Six Rivers Basketball Officials Association since 1993. Peterson began officiating in 1992, working HDNL soccer matches, then moved to baseball and softball the following spring. He began officiating basketball in 1995, then started officiating football in 2004. No matter the sport, his purpose is to help facilitate the game, not be part of the show. "We are there to ensure player safety and fairness within the rules of the game," Peterson said. "The spirit of the rule is just as important as the written rules."

Division II	1,761 - 2,786
Division III	1,268 - 1,760
Division IV	601 - 1,267
Division V	600 and fewer

NCS Preview:

Thank you very much to all the coaches who helped me break down each division. The following is my best attempt to predict the top 5-7 teams and the top individuals for each division (boys and girls) in Saturday's section meet. The teams from this meet that will qualify for the State Meet at Woodward Park in Fresno on November 29th are noted for each division. The top 5 individuals from each race will also qualify for the state meet, provided they are in the top 12 when two teams qualify, top 14 when three teams qualify, and top 16 when four teams qualify, top 18 when five teams qualify.

The winning teams in each division will receive plaques. The top 2 teams in each division will receive pennants. The top 3 teams in each division will receive medals. Seven (7) medals will be provided per team of seven. The top 7 individuals in each race will receive medals.

Division I

Girls - (Top 3 teams advance to state meet):

- 1 Dougherty Valley
- 2 Berkeley
- 3 California
- 4 Castro Valley
- 5 Liberty

The Berkeley girls won their first two section titles in 1981 & 1982 and then experienced a long drought without a victory at the NCS MOC meet until two years ago. They are now the two-time defending champions but will come to this meet as underdogs to Dougherty Valley. DV finished in 4th place in the tough EBAL championship race behind three very competitive Division II teams, San Ramon Valley, Monte Vista, and Granada. Berkeley won the West Alameda County Conference (WACC) Foothill division, finishing 10 points ahead of Castro Valley. California finished just 13 points behind Dougherty Valley in their league race, which means this could be a highly competitive race for the top three state-qualifying spots.

Senior Carina Nottingham is the 2-time defending champion and will be vying for another section title. Her main competition will be Emily Bellinger of California. Bellinger finished in 3rd place at the EBAL final against some of the best individuals in the section. Both runners are very familiar with the Hayward HS course and have both dipped under the 18-minute mark this season. Other runners who have been successful here in the past will also be in the mix, including Castro Valley's Iliana Nierengarten and Berkeley's Dakota Saenz. Dougherty Valley runner Ananya Kumar has been the lead runner for Dougherty Valley, but didn't race at her league final.

Boys - (Top 2 teams advance to state meet):

- 1 Dublin
- 2 California
- 3 Dougherty Valley
- 4 Berkeley
- 5/6 Castro Valley/Liberty

Dublin HS coach Chris Williams has one of the premier distance track and field invitationalists in the country. He has also been one of the top coaches in California, and his boys are back trying to claim another section title. His boys' team has won 7 of the last 8 contested section meets (2 in Division II in 2016 and 2017), with the lone blemish being Berkeley's victory in Division I in 2022. At the East Bay Athletic League (EBAL) final, Dublin edged a very good Granada team, and the Gaels will be heavily favored to win here. With only two teams advancing to the state meet, the battle for 2nd will be very interesting. California edged Dougherty Valley at the EBAL final by 8 points, while Berkeley finished in 3rd place at the WACC final. California competed without its top 2 individuals, so a healthy return of either or both runners will make a huge difference here. If they are unable to compete, then we will have a three-way battle for one final spot to the state meet.

The fastest runner in this field is Dublin's Daniel Santhiapillai. He was the EBAL champion and has led Dublin through the season along with teammate Justin Feng. Those two runners should be dictating the pace at the front. The next runner, Kai Hamre of California, ran 15:23.4 at the Haystack Tune-Up but didn't race at his league final. If he can race here, Hamre will definitely be near the front and help his team's chances of advancing to the state meet. The same goes for teammate Kenneth Fong, who also didn't race at his league final. He ran 15:41.4 at Haystack. Other runners that will contend near the front of the pack are Dougherty Valley's Vedanth Pothina, California's Gustavo Mendes de Oliveira and Arjun Vivek. Dublin's Jeremy Imbo will be in the mix as well as the strongest 3rd man on all the competing teams.

Division II

Girls - (Top 3 teams advance to state meet):

- 1 Redwood
- 2 San Ramon Valley
- 3 Monte Vista
- 4 Granada
- 5/6 Foothill/American

The Redwood girls finished in 2nd place at the Marin County Athletic League (MCAL) championship meet behind a very strong Archie Williams (AW) team. With AW safely in Division IV, Redwood will be the slight favorite to win here with a trio of East Bay Athletic League (EBAL) teams chasing them. The San Ramon Valley pack edged Monte Vista for the league title at the EBAL meet by three points, and it will be just as close here. Monte Vista, the defending champion, has three runners ahead of SRV's front runner, freshman Brooke Ennan, and will be dangerous with an improved back of the pack. Granada was a solid 3rd at the EBAL meet and has proven to really bring it at this meet in the past. American was the league champion in the Mission Valley Athletic League (MVAL) and appears to be the 5th best team here.

Granada junior Sade Bumpus finished in 2nd place at last year's NCS MOC meet behind Monte Vista's Alexandra Powell and will be favored to win here. She was the EBAL individual champion this season and rolled to a 17:15.2 individual victory at the Haystack Invitational on the Hayward HS course. Redwood's Sydney Middleton and Kate Kozubik lead the way for their team and will be prominently near the front here. Monte Vista teammates Kaylie O'Connell, Ava Padilla, and Nadya Makarova will also be in the mix, along with Foothill's Macy Mullen. Amador Valley's Kacie Wong might also be in contention for one of the five auto individual qualifying spots.

Boys - (Top 4 teams advance to state meet):

- 1 Granada
- 2 Redwood
- 3 Amador Valley
- 4 De La Salle
- 5/6 College Park/Monte Vista

Another 2nd place league team will be favored to win one of the section races. Granada finished a close second to Dublin (49 to 46) at the EBAL final. The Matadors are the best Division II team in the section and are currently ranked 9th in the state by prepcaltrack.com. The Redwood boys won the MCAL championship meet over solid Tamalpais and Terra Linda teams and will now chase Granada in this race. The Amador Valley boys finished in 3rd place at EBAL and appear to be the 3rd-best team in this division. The De La Salle boys will be battling for that fourth and final state meet spot and will need to fend off College Park and Monte Vista. American won the tiebreaker over Newark Memorial at their league final to win the team title in the MVAL.

Trey Caldwell of De La Salle won the last two section titles in a row, and teammate Heath Salter will try to make it three in a row for the Spartans. Salter finished in 2nd place at the EBAL meet behind Dublin's Daniel Santhiapillai and won the Haystack Tune-Up with a 14:53.2 personal record. Amador Valley senior Sattvik Raju finished just behind Salter at the EBAL final and will certainly be in contention for the individual title. Redwood sophomore Oliver Bush is the front-runner for the Giants and has a PR of 15:11.8 on the Hayward HS course. Mateo Cafaro of Monte Vista is his team's lead runner. Granada will have their pack all running near each other, and they have typically been led by Nicolai Barron. Washington's Anish Gopisetty finished 2nd at his league final and could be one of the individual qualifiers.

Division III

Girls - (Top 4 teams advance to state meet):

- 1 Campolindo
- 2 Northgate
- 3 Maria Carrillo
- 4 Las Lomas
- 5 Newark Memorial

Last year, Northgate stopped Campolindo's streak of section titles in a row at 10. That was the Broncos' first section title in cross country, while the Cougars were after their 21st section title, which would be a new section record. They are currently tied with University at 20 titles each. This year, the same two teams will vie for the team championship. Northgate got out of the gate fast and defeated Campolindo twice at their first two league meets. At the recently contested DAL championship meet, Campo edged Northgate 33 to 44 to establish itself as the favorite in this division. The next best team appears to be Maria Carrillo, the North Bay League-Oak Division champion. Las Lomas was the 3rd place team behind Campo and Northgate at their league final. LL will battle with Newark Memorial, the 2nd place team from the Mission Valley Athletic League (MVAL).

Carondelet senior Gretchen Yakaitis will be favored to win individually. She finished a close 2nd to Sade Bumpus of Granada at her league final and has been super impressive this season, including a 4:52.8 personal record at the Campolindo Mid-Season Mania 1600. Her main competition will be Newark Memorial's Alice McCarthy, the MVAL champion. Other runners in the mix at the front are Northgate's Olivia Joseph, Amalia Contreras of Campolindo, and Joslyn Tribbey of Maria Carrillo. Windsor's Emily Williams will be vying for an individual state meet qualifying spot, while Natasha Cohen of Northgate will be looking to lock up a low stick for her team.

Boys - (Top 4 teams advance to state meet):

- 1 Campolindo
- 2 Maria Carrillo
- 3 Tamalpais
- 4/5 Analy/Terra Linda
- 6 Newark Memorial

The Campolindo boys are the defending section and state champions. They were also the Hoka Postal national champions in the 5 x 3200 and are in the hunt for an NXN spot after the state meet. They are currently ranked #11 in the nation by dyestat.com and will be heavily favored to win here as well as the state meet. The only drama here may be if Campo could surpass the low score record in this Division. The record is 28 points held by 2 teams: the 2019 Maria Carrillo team and the 2022 Campolindo team. The race for 2nd appears to be the competitive part of this race and will pit Maria Carrillo, the NBL champion, vs the 2023 section champion, Tamalpais. The last state meet spot and 4th place will also be up for grabs between Analy and Terra Linda. Newark Memorial has been consistently competitive in this division and should not be overlooked.

The Campolindo boys will be very present at the front of the lead pack. Their two lead runners are sophomore Caden Ehrhorn and Clark Gregory. Lucas Roark of Tamalpais, Kenji Kawabata of Newark Memorial and Trenton Dawson of Maria Carrillo all won their respective league finals. and Owen Dawson of Analy. The rest of the Campo pack will include Nikola van Delft, Jack Durden, Gavin Gunn, Samuel Hearn, and Taiyo Chiba. They should all be racing near the front of the race, chasing a fast time on the hopefully dry Hayward course. Owen Dawson of Analy will be in contention for an individual spot if his team doesn't qualify for the state meet as a team.

Division IV

Girls - (Top 3 teams advance to state meet):

- 1 Archie Williams
- 2 Miramonte
- 3/4 Piedmont/Bishop O'Dowd
- 5 Albany

The Archie Williams girls' team is the best in the section. They defeated the top team in Division II, Redwood, at their league final, and could theoretically win every other division on Saturday. Coach Josiah Russell, an alumnus of the school, will lead the team once again, potentially securing another section title and a podium finish at the state meet. While I am certain that AW will finish 1st, the placing of the next group of teams should be highly interesting. The Miramonte girls finished in 3rd place in the DAL final behind Campo, Northgate, and Las Lomas. The Mats appear to be just a bit in front of league rivals Piedmont and Bishop O'Dowd. Piedmont edged BOD at their league meet, but it will be super close here as well. Albany has two outstanding freshmen leading the way and could be a threat if the rest of their pack improves their place on Saturday.

The individual favorite in this race will be Archie Williams, senior, Brooke Lee. She has been the leader of the team and was the impressive winner of the MCAL final at her last meet. Teammate Ani Stieg, the defending section champion, seems to have rebounded from an early-season setback and will be competitive at the front as well. Other runners in the mix will be Albany freshmen Eliana Huerata and Lucille Pazdan. Claire Palmer of AW finished behind Stieg at MCAL and will also be near the front. Bishop O'Dowd's Isabella Rodgers finished in 2nd place at her league meet with a time of 18:08.44.

Boys - (Top 4 teams advance to state meet):

- 1 St. Mary's College
- 2 Bishop O'Dowd
- 3 Archie Williams
- 4 Miramonte
- 5 Piedmont

NCS gets 4 entries to the state meet, and since 2023, the same 4 teams have earned those entries. This year won't be any different, as those same 4 teams are contenders once again. The favorite will be the St. Mary's boys, as they have been the fastest team all season, are currently ranked as the 3rd best team in this division, and finished in 5th place at last year's state meet. Bishop O'Dowd just won the WACC, and coach Hillary Kigar's group is very familiar with the Hayward course and always seems to run their best at big meets. Last year's D4 section champion, Archie Williams, has a storied history of success at section and state meet competitions, which includes 5 section titles and 4 podium finishes at the state meet over the last decade. Miramonte is led by senior Logan Letulle, one of the individual favorites. They have battled the top D3 team in the state, Campolindo, in their league, and will be ready to capture one of those state meet berths. Piedmont appears to be the next best team with a tight pack and great knowledge of the Hayward course.

The individual favorite will be Miramonte's Logan Letulle. He is the fastest returning D4 runner from last year's state meet and just competed at the highly competitive DAL meet against the Campolindo crew. St. Mary's Djali de Chalus just won his league championship over two very strong teammates, Ian Kopchik and Tucker Presnell. Bishop O'Dowd will be led by Sebastian Taylor, who will be looking to lead his team with a strong finish up front.

Division V

Girls - (Top 5 teams advance to state meet):

- 1 University
- 2 Lick-Wilmerding
- 3 Sonoma Academy
- 4 Branson
- 5/6 College Prep/Head-Royce

Last season was a very successful one for NCS teams, with 3 teams finishing in the top 5 at the state meet. Branson won its 2nd state team title, while Lick-Wilmerding scored another podium finish with a 3rd place finish. University finished in the top 5 with a 5th-place finish, marking the 25th time it has achieved a top 5 finish at the state meet. University appears to be the favorite this year, with Lick-Wilmerding as its primary competitor. University has the most depth of any team in this race and will have the first complete team into the chute. A vastly improved Sonoma Academy team will be vying for a top-three finish, along with Branson. College Prep won the BCL East over Head-Royce and both teams are in contention for the last spot. As with each team in this division, the places will be determined by the 4th and 5th-place runners. It seems like every team has strong runners up front, with their back of the pack fighting for the same spots in the 20-21-minute range.

The favorite to win the individual title will be Lick-Wilmerding senior Ella Mogannam. She is the defending section champion and has finished 2nd at the last two state meets. Her main competition is Branson's improved junior, Farah Allen, who led the way last year for her team's state championship. Sonoma Academy's Josie Hill had to sit out a month due to transferring to a new school, and will be one of the top runners here. Ashlin Mallon of Cardinal Newman won the NBL Redwood League and is also one of the top runners in the state in this division. Other runners that will be in the mix are University's Palmer Smit, Lick-Wilmerding teammates Caroline Chang and Ella Adams-Teoh, Head-Royce's Emma Singh, and Branson's Hailey Sellers.

Boys - (Top 4 teams advance to state meet):

- 1 University
- 2 Convent & Stuart Hall
- 3 Healdsburg
- 4 College Prep
- 5/6 Bay School/Head-Royce

The overwhelming favorite to win this race will be the University boys' team. They have been one of the strongest D5 teams in the state and will be pursuing their boys' 2nd state team title in school history. The teams battling for the next two spots should be Convent & Stuart Hall and Healdsburg. At this point, Convent & Stuart Hall appear to be the slight favorites over Healdsburg, with a tighter pack from 1 to 5. The race for the last state meet berth promises to be an interesting one, with several contenders. The College Prep boys just won the BCL East title, finishing ahead of league rival, Head-Royce. The Bay School has a strong boys' team, but may be without their #1 runner, Leor Herish, at the section final.

The favorite to win the individual title will be University junior Ben Friedland. He has been the lead runner for the University team just ahead of teammate Ethan Kraska. Other contenders will include Healdsburg sophomore Lucas Welty and the next two University runners, Matteo Welty and Ishan Patnaik. Other teams' lead runners who may be near the front are The Bay School's Kainoa Newton and Berean Christian's Samuel Ruiz. University's Hugo Tao Ong and Healdsburg's Jake McWilliams will be battling to also finish in the top 10 of the race. College Prep teammates Isan Skarbinski and Noah Petajisto finished 1st and 2nd, respectively, at the BCL East final and will be near the front, trying to help secure the last automatic qualifying team spot.

NCS MISSION STATEMENT

The North Coast Section fosters, defines and preserves the role of athletics in secondary education. It is an organization committed to providing a wholesome environment in which educational athletics will thrive. It is the Section's purpose to serve student-athletes and spectators, and to encourage students to reach their potential within the context of available resources, organizational limits and equity of competition.

NORTH COAST SECTION MAJOR SPONSORS & FUNDING

The North Coast Section, a non-profit service organization composed of member public and private schools, assists in the administration of boys and girls athletics in secondary schools. The Section is committed to providing a wholesome environment in which athletics for students may thrive.

The North Coast Section does not receive any direct tax funding, nor does

it receive any direct benefit from the California State Lottery. The promotion of the North Coast Section and its defined program requires commitment and support from our corporate community.

The North Coast Section would like to take this opportunity to thank all of our corporate citizens who support the North Coast Section through major sponsorships.

OFFICIAL BALLS FOR THE NORTH COAST SECTION FALL CHAMPIONSHIPS ARE:

FOOTBALL - WILSON GST
SOCCER (B & G) - WILSON VEZA

TENNIS (B & G) - PENN ATP WORLD TOUR XD
